I refer to your request for information dated 26 September 2024 made under the Official Information Act 1982 (the Act). You have requested:

*Could I please request the current cumulative GPA distribution for all students who are completing/have completed a Bachelor/undergraduate degree in 2024? Ideally, this would include the total number of students with each GPA value (rounded to the nearest 0.1).*

Subject to the following comments, please see the **attached** table which shows the current cumulative GPAs of all 2024 undergraduate finalists at the University of Otago:

- the data is correct as at 24 September 2024.
- the data is limited to undergraduate students only.
- we note that students self-declare whether they are a finalist or not. Therefore, the data only includes those current students who have self-declared that they are a finalist in 2024, whether or not they are actually completing their studies in 2024.
- we note that these cumulative GPA figures are subject to change pending the confirmation of Semester 2 2024 results at the end of November.

I trust that this information will be helpful.

If you are not satisfied with our response to your information request, section 28(3) of the Act provides you with the right to ask an Ombudsman to investigate and review this response. However, we would welcome the opportunity to discuss any concerns with you first.

Ngā mihi
