Hi 9(2)

Thanks for getting in touch. I never received the email below! So odd.

I'll respond first thing if that's ok as he is keen to attend.

Hi 9(

I hope you're doing well.

I have just been doing a final audit of my guest list for Saturday and my stomach just dropped as I realise that I actually still have the Minister as an outstanding guest, with his final details unconfirmed. I've scrolled back through emails but can't find a response from you regarding the below, I'm so sorry if I've deleted something by accident! Not to worry though, we still have time to get this one sorted for you, and we are very much looking forward to seeing the Minister on Saturday.

If you wouldn't mind sending through the responses to the questions below that would be great, and I can get the VIP passes over to Parliament tomorrow (9(2)(a) so can whip by and drop these off) if that would work best?

And just a note with regards to the Prime Minister, his planned arrival time is 6:10pm in case Minister Bishop would like to coordinate those times.

Many thanks

Hi 9(

Just looping back on this as we get closer to the match, it would be wonderful to confirm a couple of things regarding the Minister's attendance, if that's ok? I've also attached the event info sheet, let me know if there is any information beyond this that he might require, or if there's any briefing documentation I can fill out for you.

The questions I had for you were:

- Do you happen to have the name of the Minister's guest yet? No problem if not, but the VIP passes are generally named so it would be great to get these printed now
- Will the Minister require a carparking pass at the stadium?
- Do you have an approximate arrival time? I haven't got a time just yet from the Prime Minister's office, but I expect that it would be roughly about 6pm. There is a curtain raiser match which is likely to finish at about 5:50pm, and our formalities (just one short speech by an NZR rep) are usually at approx. 6:25pm, so somewhere in that window would be great
- And finally, could you please let me know the best way to get the 2x VIP passes to you for the Minister? They are a physical lanyard, so a courier would be best if that suits you?

Looking forward to hearing from you soon.

Many thanks

Thanks 9(2) nothing further needed at this stage and likely no need for a briefing other than an overview of who else might be present.

Lets chat closer to the time and if it is ok I can confirm if he will bring a guest with him.

Hi 9(

Thanks for getting in touch, and that's no problem at all – we would be delighted to have Minister Bishop join us on 28 September. I'm pretty focused on the next two matches (10 and 17 August) at the moment, so please let me know if there's any information for the match that you require over the next 3 weeks, otherwise I will send everything through to you later on in August. If the Minister has a preferred briefing sheet template then please do send that across and I'll get working on that too.

Many thanks

Minister Bishop is now available on 28 September for the Wellington test. Is there anyway he could be accommodated? Sorry, I realise you needed to know ages ago.

Morning 9(2)

Nothing confirmed yet sorry.

I am hopeful he might be able to make the 13 July Game at Eden Park as he may have something in Auckland the following day. I will let you know as soon as I can get confirmation.

The Wellington games would generally be the best option 9(2)(a), however he is unfortunately away in Europe for the August 10 game and has another event on 28 September.

outside of scope

I'll keep you posted, as I know he would really like to attend a Game.

Thanks for checking in.

Hi **9(2)**

outside of scope

The Minister is also keen to attend a test match, however his diary continues to be a challenge, **9(2)(a)** I have the list of all matches on my desktop and I will continue to look for a gap in his diary to facilitate his attendance.
