

## STATEMENT OF RESOURCES Year Ended 30th June 2011

Masterton District Council provides a wide range of services to the residents, businesses and visitors to the area. In order to meet its objectives and provide the services required, the Council employs a large number of resources. Although some of these resources are valued within the Statement of Financial Position, in many cases the quantitative information is more meaningful.

This statement therefore tends to reflect in quantitative terms those resources the Council uses in its day-to-day activities in order to service the community.
