CO Happy Friday ya'!! What's the best/preferred way to send lots of PDFs? 😊

Gabby Boag 6/10/23 11:51 am
 Depends how large your suite of docs are Ciara. We've had to resort to an encrypted USB in the past, and more recently file links through Sharepoint.

Graham Parkin 6/10/23 11:53 am
GP Last time I had too many, I sent them in three emails.

FB Kia ora team - I have someone asking for "A copy of Kāinga Oras asbestos abatement procedures", and have found the Housing New Zealand Health, Safety & Security: ASBESTOS HANDBOOK - Asbestos Management and Control. Does anyone know if this is still what is being used?

Thank you
