Hi Jamie

That's great that Andy is looking at that.

I'd be very keen to catch up. I away for the weekend but back on Monday. Are you Marlborough based next week or shall we try a zoom?

Let me know. I'll try to work around your timings.

Thanks again

Nadine

**Subject:** Proposal for Marlborough Sounds roads and marine infrastructure

Hi Nadine

Andy Foster is keen to put a paper together and have a discussion with Simeon Brown on subsidies for marine infrastructure and would like to use the Marlborough Sounds as example. Was wondering if I can find a time to meet with you to progress this please?

Regards  
Jamie
