Further to my email below it is likely that the date for the release of all BIMs will be 1 Feb. Can you please ensure that your departments and agencies prepare for the public release of their BIMs for that day (time tbc). They should ensure that the documents are ready to go up on their websites that day and provide us with a link that we can put on the Beehive website. Documents will need to have any necessary redactions made and ensure that the redactions are permanent (ie no technology can reverse these so deleted material becomes visible).

Subject: OIAs for briefings to incoming ministers

Most, if not all, Ministers, will have received OIA requests for copies of all briefings received by incoming ministers.

It is intended that all BIMs will be proactively released in the New Year (date to be confirmed) so you should consider a response that refers to section 18(d) of the Official Information Act 1982 "that the information requested is or will soon be publicly available".

I will send out more information in relation to the proactive release of the BIMs at a later date.

Thanks

Withheld under section 9(2)(a)

Hi Withheld under section 9(2)(a)

Happy New Year!

Can you please advise if supplementary BIMs are also to be proactively released early February?

Thanks

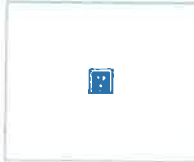

Withheld under section 9(2)(a)

Hi Withheld under section 9(2)(a)

LINZ have advised that previously there has been no direction to release the supplementary BIMs. I know that you mentioned below that we are going to, just wanted to check this is still the case?

Kind regards,

Withheld under section 9(2)(a)

Good morning Withheld under section 9(2)(a)

LINZ have said:

Can you please advise whether this includes the supplementary BIMs, or whether this is just the primary BIM. Also, as the Minister's office will need to approve the document prior to release, can you please advise what date you would like to receive this by?

Are you able to advise please?

Kind regards,

Withheld under section 9(2)(a)

Good afternoon Team

Please see the information below and note the action required relating to the proactive release of the BIMs on 1st February.

Thanks
