Tēnā koe Andrew

Thank you for your request to the Department of Conservation, received on 06 November 2024, in which you asked for:

Please provide the 'wiring' diagrams showing all Department of Conservation planning and permissions positions (including resource management planning) as of today's date.

I do not need people' names, just position titles.

We have considered your request under the Official Information Act 1982.

Context

The Planning, Permissions, and Land (PPL) teams at DOC have changed somewhat over the past three years in terms of their structure. Therefore, we have provided the organisation charts for the teams and units that most closely align with the teams and units that previously formed part of PPL.

Your request

A copy of the organisation chart, as at 24 October 2024, which is the latest available information, is attached to this letter and employee names have been excluded, as per your request.

Please note that this letter (with your personal details removed) and attached documents may be published on the Department's website.
