External Rationale for Additional Funding Request Decision

01. We have concerns about your organisation's viability and performance.
02. We are not confident your financial position will enable long-term viability of your organisation.
03. We are concerned about the quality of provision as evidenced by your External Evaluation Rating (EER).
04. Additional funding is prioritised to TEOs with an overall Investment Plan rating of confident or highly confident.
05. Your request does not meet the purpose of the fund you are seeking additional funding for.
06. Your Learner Success Plan does not adequately demonstrate how your organisation ensures the success of all of its learners.
07. We are not confident you can deliver this provision due to previous under-delivery.
08. Your additional funding request is not for high strategic priority provision, as outlined in plan guidance documents and investment briefs. Therefore it is not a high priority for additional funding.
09. Your Educational Performance Indicators are below our published thresholds for additional funding.
10. You have not adequately described your readiness to deliver your requested additional funding.
