Tēnā koe Emily

**Official information request regarding COMP102 test 2 results**

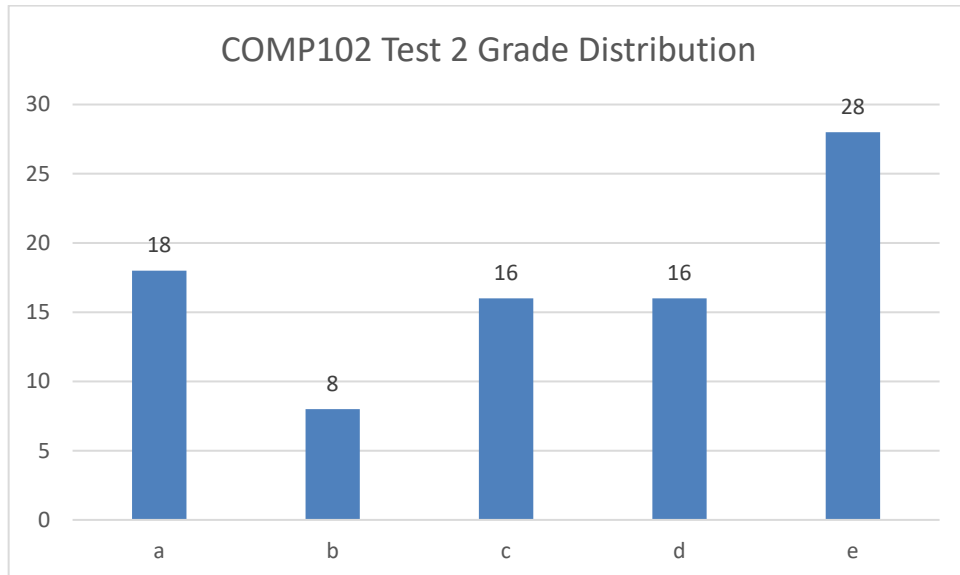

I refer to your request for information under the Official Information Act 1982 (the Act) dated 14 January 2025:

*“I would like to request the following information regarding COMP102 for Trimester 3, 2024:*

*The grade distribution, mean, and median for Test 2.*

*A detailed explanation of how each student’s final grade is calculated (i.e., how the marks of Test 1, Test 2, and assignments contribute to the final grade).”*

The information requested is in the table below. The mean grade for this test was 50.8%. The median grade was 48.8%.

Information regarding how final grades are calculated for this course is available on the course web page at

<https://www.wgtn.ac.nz/courses/comp/102/2024/offering?crn=28225>. Note, in cases

where a student achieves a better result in Test 2 than they did in Test 1, their Test 2 results may replace their Test 1 results in the calculation of their final grade.

The mapping from overall percentages to grades is performed by applying the standard VUW grade ranges. Information on VUW grade ranges is available at <https://www.wgtn.ac.nz/students/study/progress/grades>.

In some cases, students may be awarded a better grade than their percentage nominally indicates due to adjustments of grade boundaries during the final grades auditing.

You have the right to seek an investigation and review by the Ombudsman of the decisions made regarding this request. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.

If you wish to discuss this decision with us, please feel free to contact me at [oiarequests@vuw.ac.nz](mailto:oiarequests@vuw.ac.nz).

Ngā mihi nui
