Dear Mr James

**Local Government Official Information and Meetings Act 1987**

**CAS-60381-Q5F3G2**

Thank you for contacting Auckland Transport on 29 July 2015, requesting information regarding the bus lane located on Vincent Street, Auckland City.

In response to your request under the Local Government Official Information and Meetings Act 1987 please find attached a copy of the resolution report that formally approved the implementation of a bus lane on the western side of Vincent Street.

In response to your specific questions:

Auckland Transport does not hold information detailing the specific date that the bus lane came into force, however, this would have likely been when the required signs and markings were put in place which is expected to have been sometime shortly after the formal decision to approve the bus lane.

The formal date of approval of the bus lane was 30 January 2009.

The formal decision to approve this bus lane was made by the Transport Resolutions Sub-Committee of the previous Auckland City Council.

I trust this information has addressed the matters raised however you have the right in accordance with section 27(3) of the Local Government Official Information and Meetings Act 1987 (LGOIMA) to make a complaint to the Office of the Ombudsman if you are not satisfied with our response.

Yours sincerely
