5	Design	Removal of the crossing opposite the Mirage Apartments. There seems to be insufficient demand to justify a signalised crossing. The rail overbridge is also due for replacement in the next 3 years, therefore sigalisation of the Gladstone intersection is to be considered at a later date. 6	Design	Removal of the crossing at Saatchi & Saatchi. This crossing appeared to have the greatest impact on traffic flow as this is a pintch point in the corridor.	Ranjan Pant (Outcomes Manager)	Unknown	Shared with the design and project team.
