Dear Andrew

Official Information Request for Treasury Advice Regarding Carbon Emission Reduction Proposal

I refer to your official information request of 15 September 2015 for "*in an answer to question 6 during Question Time today [15 Sep 2015] you [the Prime Minister] stated that Treasury advice regarding a carbon emission reduction proposal for Paris included a recommendation to 'do significantly less than the Government is taking to Paris'. Please provide a copy of that advice, including all related reports, memos, emails, file notes and other records.*"

The information requested is Treasury advice and is more closely connected to the functions and responsibilities of the Treasury. Accordingly, your request has been transferred to the Treasury under section 14 of the Official Information Act.

Yours sincerely
