Dear John

Re: Official Information Act Request CDHB 9252

We refer to your email dated 14 October 2015 and transferred to us from the Ministry of Health this morning requesting the following information under section 12 of the Official Information Act (1982).

- **For each public hospital:**
 - **Is any revenue directly or indirectly obtained from car parking charges?**
 - **When they began receiving any such revenues?**
 - **The amount of money received each year in car parking charges?**
 - **If charges are just levied against members of the public and/or if staff are expected to pay too?**
 - **If there are any exemptions or limits to the charges imposed at each site?**

As required under the Official Information Act (1982), the Canterbury District Health Board will respond to your request within 20 working days. Allowing for the public holiday for Canterbury Anniversary Day you should therefore receive a response on or before 26 November 2015.

If a large amount of information has been requested or if the Canterbury District Health Board needs to consult in order to make a decision, we may need to extend this date (this is provided for in section 15A of the Act). We will advise you if such an extension is necessary.

Yours sincerely
