Dear Brett,

I hope this message finds you well.

We are pleased to provide information regarding our *Articulating Water Boom Pumps*, submitted in response to the RFI through the GETS website.

We would like to introduce ourselves as a supplier of **JUNJIN & Flowcrete Concrete Pumps** and spare parts in New Zealand. Our office is based in Auckland, and we are committed to supporting our customers with reliable products, technical assistance, and after-sales service.

We ensure that our clients receive:

- Genuine spare parts and consumables (e.g., rubber hoses, wear parts, hydraulic components)
- Technical support and troubleshooting guidance
- Prompt response to service requests
- Competitive pricing with no compromise on quality

Our goal is to provide the construction industry in New Zealand with efficient solutions that minimize downtime and extend the life of equipment.

We would be pleased to discuss how we can collaborate with your company to strengthen the supply and service network for **JUNJIN & Flowcrete Concrete Pumps**. Please feel free to reach out for any requirements or support—we look forward to the opportunity to work with you.

Here, We attach the Images for your reference.
