Tēnā koe Steven

Thank you for your request of 10 March 2026 to Fire and Emergency New Zealand requesting the following information under the Official Information Act 1982 (OIA):

- Please provide this information as previously requested:
Appliance Build Number (Pxxx)
Appliance Callsign (NHQ 3xxx)
Destination Station (E.G. Te Rapa, Wellington City, Dunedin) Cascading Station Details*
- Please also include any emails in the last 12 months that mention anything relating to the MAN Cascade Plan, specifically between to or from the National Fleet Manager, or other such parties involved in this process.*

This letter is to advise that Fire and Emergency needs to extend the timeframe of our response to your request by 10 working days, under section 15A(1)(b) of the OIA, as consultations necessary to make a decision on the request are such that a proper response to the request cannot reasonably be made within the original time limit.

For this reason, you can expect to receive our response no later than 22 April 2026. We will endeavour to respond sooner than this date if possible. If you no longer require this information, please let us know.

You have the right to request an investigation and review of Fire and Emergency's decision to extend the timeframe by the Ombudsman. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Nāku noa, nā
