RE: OIA 2015-16-28: Wynyard at Kingdom Security Conference

Dear Valerie

Thank you for your email received by New Zealand Trade and Enterprise (NZTE) on Friday 30 October 2015 concerning an Official Information Act 1982 (the Act) request.

You requested the following information:

- Can you please advise what, if any assistance/support NZTE has provided to Wynyard, Eagle Technologies, Palantir, Tait Communications, Endace and Gallagher Security for attendance at overseas conferences/trade shows/meetings/marketing events since January 2013?
- I have already received information about the Security Technology Alliance of which Wynyard/Tait/Endace/Gallagher are members. It is not necessary to duplicate material previously provided.

Eagle Technologies and Palantir are not companies NZTE works with.
