Tēnā koe Steven

Thank you for your request of 15 June 2026 to Fire and Emergency New Zealand requesting the following information under the Official Information Act 1982 (OIA):

- 1. Would you please provide the statistics for "Pump Rescue Tender" stations for both Career and Volunteer brigades based on total call numbers? This should exclude any pump stations. Where a brigade has both appliance types, include the statistic only for the "Pump Rescue Tender".*
- 2. In a separate document or table, can you specify the busiest "Pump Rescue Tender" callsigns based on the number of "extrications" or "cut-outs" the brigades attend?*

Please find attached, as the **Appendix** to this response, the requested information.

We trust that the information being provided is of assistance. If you require further information, please email officialinformationrequests@fireandemergency.nz

Please note that because of the identified public interest in the information that you have requested, we intend to publish this response (with your personal details removed) on our website.
