Official Information Act Request

Thank you for your request of 12 March 2026, under the Official Information Act 1982, for the following information:

I would like to obtain details on the distribution of students and their marks for the following scholarships from 2025: Calculus, Chemistry, Physics, Statistics, Digital Technologies.

I would like to see how many students got each possible mark out of the paper total (e.g. how many students got 24/32, 25/32, etc.).

Response

In response to your request, please see the attached spreadsheet *PRS-6574 OIA Scholarship results by mark for 2025 v1.0* which contains the information requested and is presented by:

- Scholarship Subject
- Score:
 - Chemistry – possible to score between 0 – 32
 - Physics – possible to score between 0 – 32
 - Statistics – possible to score between 0 – 32
 - Calculus – possible to score between 0 – 32
 - Digital Technologies – possible to score between 0 – 24
- Count of students with that score.

Note:

- (i) Where a score (mark) is not in the data, there were no students who received that score.
- (ii) Students who attended the examination but did not provide work for assessment or did not attend the examination have been included (score represented as V and Y respectively).

Our response to your request may be published on our website after five working days. Your name and contact details will be removed before publication.

If you require further assistance or believe we have misinterpreted your request, please contact ministerials@nzqa.govt.nz.

You have the right to seek an investigation or review by the Ombudsman of this decision under section 28(3) of the Official Information Act 1982. Details of how to make a complaint can be found

at www.ombudsman.parliament.nz. You can also telephone 0800 802 502 or write to the Ombudsman at PO Box 10152, Wellington, 6143.
