Tena koe Mark,

I will add your collaboration point to my one pager.

I agree that establishing a Kawenata will take some time. What short term issues should we pursue?

Regards,
Leith

Kia ora koutou,

Denise and Baden- happy with your briefs 😊

A couple of thoughts for awareness/consideration only:

1. The Kawenata is for serving and former serving and their whanau. It is neither solely an NZDF nor Veterans- based proposal. Therefore MINVA should appreciate that there will need to be collaboration with MINDEF.
2. If MINVA grants our request, he will be accepting that this work won't 'shift the dial' specifically for veteran care in the short term. He may ask us what tangible issues should be addressed for the benefit of veterans to make a difference?

Thanks all,

Titch

Tena Koutou,

Attached is the first draft of the" one pager " I intend to speak to when we meet the Minister on the 22nd.

I will follow Denise - Talking to our Burials report and Baden - Talking to the work we have done and the work that has yet to be completed.

At the end of my pitch (if we get some positive response) I hope to a ask the Minister to allow us to complete the work needed on the Kawenata and to extended our tenure on our Advisory Board. We are due to be replaced this June / July.

Please provide any changes / additions to Sara by the end of the week to allow her to get our agenda with supporting " one pagers " across to the Minister's office early next week.

Sara can you convert the attachment to another format if people are having difficulty opening this pages version please.

Regards

Leith.

I am really sorry but I will have to tender my apologies for tomorrow. I have a small window of opportunity to gather information for COMJ for a report I am preparing for him and unfortunately that clashes with the VAB mtg.

Dear s. 9(2)(a)

Thank you for your letter of 26 December 2023.

There are a number of very interesting issues in this portfolio. For the moment, I am unable to speak to what changes we may look to introduce, whether any proposed changes would require legislative amendment, or what recommendations from the Veterans' Advisory Board may be considered, but I am looking forward to becoming more familiar with these and other matters in the next few months.

Yours sincerely

Hi Chi

The Report has been finalised and sent to the Minister, who has released the report to VA, so the agreement is now completed. I am assuming that if we wish to engage them for further work in the future even though there is some dollars left from this budget, a new agreement will need to be drawn up.
