Dear Adrian

**Request made under the Official Information Act 1982**

Thank you for your email of 30 March 2026 requesting the following information under the Official Information Act 1982 (the Act):

*In your letter dated 27th March 2026, you said that public support was low but key stakeholders supported the toll.*

*Please list all 'interested parties' for public record.*

Your request is being refused in full under section 18(d) of the Act as the information requested is publicly available.

The information you have requested is contained in the *Tauranga Eastern Link Tolling Consultation Summary Report* and is publicly available on the NZ Transport Agency Waka Kotahi (NZTA) website at: <https://nzta.govt.nz/assets/consultation/tauranga-eastern-link-toll-road/pro-519-5-tel-tolling-consultation-summary-report-september-2025.pdf>

Please note that the Tauranga Eastern Link Tolling Consultation Summary Report does not provide a complete list of individual stakeholders. However, Section 4 of the report summarises written submissions from key stakeholder groups, including local councils, organisations, and businesses, as well as summarising the nature of support and concerns raised by those groups.

Under section 28 of the Act, you have the right to ask the Ombudsman to review my decision to refuse your request. The Ombudsman's contact details are available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz)

In line with NZTA policy, this response will soon be published on our website, with personal information removed.

If you would like to discuss this reply with NZTA, please contact Ministerial Services by email to [official.correspondence@nzta.govt.nz](mailto:official.correspondence@nzta.govt.nz).

Yours sincerely
