Tēnā koe Leah,

Your request for official information, reference: HNZ00202208

Thank you for your email on 31 March 2026, asking Health New Zealand | Te Whatu Ora for the following under the Official Information Act 1982 (the OIA):

Please list all individuals, agencies, community groups and health organisations responsible for managing covid vaccine centres/clinics between 2020 and today's date. Please include the name of the centre, the location, the dates it was open and the total number of vaccines each site administered.

Response

COVID-19 vaccinations could be given at dedicated vaccination centres as well as at pharmacies, community clinics, general practice clinics, hospitals, and aged care facilities. Vaccinations at all of these sites were managed by district health boards until July 2022, and on a regional level following the establishment of Health NZ in July 2022.

Appendix 1 shows the name of each location where COVID-19 vaccines were administered, the geographic location, the total number of vaccines administered, and the date that the first vaccine was administered at that site. Health NZ does not hold information about the date that each site formally opened. However, the date that the first vaccine was given at each site indicates when it became operational.

How to get in touch

If you have any questions, you can contact us at hnzOIA@tewhatuora.govt.nz. If you are not happy with this response, you have the right to make a complaint to the Ombudsman. Information about how to do this is available at www.ombudsman.parliament.nz or by phoning 0800 802 602.

As this information may be of interest to other members of the public, Health NZ may proactively release a copy of this response on our website. All requester data, including your name and contact details, will be removed prior to release.

Nāku iti noa, nā

Sara Freitag
