Dear Eric Crampton

Thank you for your Official Information Act request, received on 1 December 2015.
You requested the following:

The Treasury's "Managing Government Investment Projects 2014/15", released November 2015, lists the Christchurch Central Delivery Programme as "Red" status. Please provide me the information that formed the basis for this assessment.

Alongside the *Managing Government Investment Projects* report, Treasury also proactively released the *Major Projects Performance Report March – June 2015*. This explains the basis for Treasury's assessment of all major monitored projects, including the Christchurch Central Delivery Programme.

The report is available on the Treasury's website:

Item	Date	Document Description	Website Address
1.	30 November 2015	Major Projects Performance Report March – June 2015	http://www.treasury.govt.nz/statesector/investmentmanagement/publications/major-projects

Accordingly, I have refused your request for the documents listed in the above table under section 18(d) of the Official Information Act – the information requested is or will soon be publicly available.

Some relevant information has been removed from documents listed in the above table and should continue to be withheld under the Official Information Act, on the grounds described in the documents.

Please note that this letter (with your personal details removed) and enclosed documents may be published on the Treasury website.

This fully covers the information you requested. You have the right to ask the Ombudsman to investigate and review my decision.

Yours sincerely

Jason Webber
