**Re: Monitoring Results of Te Henga Wetlands**

Thank you for your email of 13 May 2026, requesting information about monitoring results. We apologise for the delayed response. The specific details of your request and our response are below.

*“any information that explains the sampling design, for example the sampling plan or methodology showing how sites were selected (grid, spacing, number of samples, depth, and the rationale for locations), as well as the raw lab results with detection limits.*

*it is in relation to the results you sent me above on the monitoring of te henga wetlands from council monitoring taking water samples from the aerial spraying in Feb/march 2026 by matuku link”*

Please find attached information pertaining to your request for information about the sampling design, as well as the raw lab results with detection limits in relation to the monitoring of Te Henga Wetland by council from the aerial spraying in Feb/March 2026 by Matuku Link.

Our Environmental Monitoring Team have provided the following information:

- Email communication between council employees
- Email communication between council employees, Matuku Link and a member of the public.
- Laboratory certificates of analysis of the samples taken

Please note that some information has been redacted from the attached document under the Local Government Official Information and Meetings Act 1987 (LGOIMA) for the following reasons:

- **Section 7(2)(a)** - to protect the privacy of natural persons

The decision by Auckland Council to release the information contained in this response was made by Robert Laulala - Manager Environmental Monitoring, Licensing and Compliance.

You have the right to complain to the Ombudsman if you believe we have not responded appropriately to your request. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.
