Dear Susan

## Official Information Act (OIA) Request

Your OIA request of 11 December 2015 which was forwarded to MidCentral Health by Ashley Goodwin (OIA Co-ordinator at the Ministry of Health) on 15 December 2015 is acknowledged and has been passed on to me for response.

You have requested;

- **Statistics on the minimum, average and maximum CPAC scores for which patients were assessed and scheduled hip and knee total replacement surgery, per DHB around New Zealand, in 2014 and 2015?**

The information you requested for MidCentral DHB follows.

- **Average CPAC score for hip and knee orthopaedic surgery for patients waiting for surgery for the months ending 30 June 2014 and 2015.**

2013/14	89.8
2014/15	90.0

- **Clinical threshold CPAC for hip and knee orthopaedic surgery for the months ending 30 June 2014 and 2015.**

2013/14	90
2014/15	90

I trust this addresses your question.

Yours sincerely

Lyn Horgan  
**Operations Director**  
**Hospital Services**
