Kia ora,

GOODMAN LEDGER PARK PUMP STATION (REF: 3601)

We refer to your official information request dated 29 May 2026. Our response is set out below:

We have been given records of hazards from nitrogen dioxide levels at the Ledger-Goodman Wastewater pumping station which was sent to us in response of 7 May 2026 (Reference: 3508) I am requesting information as to hazards from nitrogen dioxide levels.

The Richmond Motueka Nitrogen Dioxide report is publicly available on our website - [Monitoring Nitrogen Dioxide | Tasman District Council](#). As you are able to access this information yourself, we are refusing your request under section 17(d) of the LGOIMA (the information is publicly available).

You may also be interested in the following information:

- Information on health and environmental effects of nitrogen dioxide is available on the Ministry for Environment website: [Nitrogen dioxide | Ministry for the Environment](#)
- Detailed information is included in the World Health Organisation 2021 guidelines, which is also publicly available on their website: [WHO global air quality guidelines: particulate matter \(PM2.5 and PM10\), ozone, nitrogen dioxide, sulfur dioxide and carbon monoxide](#)

If you are unsatisfied with the Council's response, you have the right to seek an investigation and review by the Ombudsman. Information on how to make a complaint is available at www.ombudsman.parliament.nz or by freephone on 0800 802 602.

Yours sincerely
Legal Support Officer
