**Your request for information under the Local Government Official Information and Meetings Act 1987
(LGOIMA) – CAS-1361480-Q0L7D9**

Kia ora J Turner,

I refer to your request for information dated 04 June 2026 the connected communities programme.

I am requesting every document related to work planning for cycle ways as part of the "connected communities" project that ran from 2018 to 2023. As an example, there were a number of meetings with small design groups including local board members that looked at options along and near the key routes identified - one was for St Lukes road, connecting up from the existing protected route through to New North Road. I would like any designs or options that were put forward prior to and following these meetings, for every arterial route that this work was done. The "urban active links" website - <https://at.govt.nz/about-us/have-your-say/central-auckland-consultations/connected-communities-urban-active-links> describes some of these routes, any documents related to this is what I am looking for. Thank you.

Please see the requested documents attached - appendices 1-3 attached.

Should you believe that we have not dealt with your request appropriately, you are able to make a complaint to the Office of the Ombudsman in accordance with section 27(3) of the LGOIMA and seek an investigation and review regarding this matter.

Ngā mihi,

Phil Wratt
