Thank you for your request for information under the Official Information Act 1982 (OIA) dated 27 June 2026 in which you requested:

"I request a copy of the most complete and current list or register the University holds of its rooms and spaces. By this I mean the full inventory of physical spaces across all campuses.

For each entry, I request the associated data fields the University holds. These may include the room or space identifier or code, building, campus, floor or level, room name or function, room type or category, and capacity.

I understand a list of this kind is likely already held in a readily available form. To keep the work involved to a minimum, I am happy to receive an existing document or a direct export rather than any newly compiled material. Where a usable list already exists, in its original form please treat that as the response rather than collating something bespoke."

Response to request

Please find attached an extract of our rooms and spaces database. Some information has been withheld under section 9(2)(c) of the OIA, to avoid prejudice to measures protecting the health or safety of members of the public. Information has been withheld because the combination of the data held about rooms and spaces on our campuses present a security risk to our students and staff, and we do not view that the public interest in releasing this information outweighs the reasons for needing to withhold it.

If you have any questions about this decision, you can contact us by email at: oiarequests@vuw.ac.nz. You have the right to seek an investigation and review by the Ombudsman of this decision by contacting www.ombudsman.parliament.nz or freephone 0800 802 602.
