Dear Ms Absolum

Official Information Act request – Information given to TV One

I refer to your email of 14 January 2016 requesting, under the Official Information Act 1982, information given to TV One reporter Michael Parkin, and his source.

The Ministry of Justice does not hold the information you are looking for. In normal circumstances we would transfer your request under s 14 of the Act to the organisation most likely to hold this information, in this case TVNZ.

However, I understand from your correspondence that you have already requested the same information from TVNZ.

I therefore consider it unnecessary to formally transfer your request. If the information you have requested from TVNZ is different from the information you have requested from the Ministry, I suggest you ask TVNZ directly.

Yours sincerely

Andy Fulbrook
Acting Deputy Secretary, Corporate
