Dear Mr Crow

Thank you for your request made under the Official Information Act 1982 and received on 24 February 2016. You requested the following:

- *When did IRD first take delivery of an iPhone 6s and how many are now in use by IRD;?*
- *Which 5 staff were first to have an iPhone 6s?. I am interested in job title, not name of staff member.*

Inland Revenue first took delivery of iPhone 6s devices in late December 2015 and we have purchased a total of three iPhone 6s devices to date.

Of the three iPhone 6s devices purchased, one is used for test purposes and is not currently allocated to a staff member, another was purchased for a Project Manager, and the third was purchased for holding in stock and is not currently allocated to a staff member.

Thank you for writing. I trust this information is of assistance to you.

Yours sincerely

Yogesh Anand
