Subject: Official Information Act request - Refugee Detention Information

Dear Department of Labour,

On the 12th of April I requested from you under the Official Information Act various information related to plans to deal with "boat people." On the 29th of June I received a response (visible at http://fyi.org.nz/request/plans_for_boat_people) that gave the names of various documents containing plans for dealing with mass arrivals by sea. I now have a follow up Official Information Act request.

First: I want to thank you for dealing my with my request, I underestimated how many documents would be caught by my request, and I want to thank you in working to attempt to answer my request. Looking at how many documents were captured, I would hate to think how much background information would exist.

Second: the purpose of this follow up request is to request some documents which the titles were given of in my original request. I wish to request:

- a) the Refugee Quota Branch, detention manual (document no. 10 in the response to me)
- b) the draft MOU between DoL and various agencies to support open immigration detention in the event of a mass arrival (no 11)
- c) the report entitled "Mass Arrival of Illegal Immigrants: Compliance Operations Branch Response Plan" (no 3)

Feel free to contact me if you wish me to clarify my request.

Yours faithfully,

Joshua Grainger

Hi: S9(2)(a)

Policy is in the process of responding to wider requests for info where this doc is in scope. Their response is currently being reviewed by legal - S9(2)(a) is expecting a response by today.

I've had a look at their briefing, and their approach to this is doc is as follows:

Mass Arrival of Potentially Illegal Migrants: Compliance Operation Branch Response Plan (including appendices) Report 06/12 Withhold under sections 6(a), 6(c), 9(2)(j) and 18(d). Some information is out of scope of the request.

To be consistent, we advise to withhold in full under sections 6(a), 6(c), 9(2)(j) and 18(d).

I have attached a zip of the files for you. Just note, the main plan is labelled Nov 11, but the cover page is dated April 12. Policy appear to have recorded it as 6/12 in their briefing in error.

Let me o. S9(2)(a) know if we can help further here.

If parts of the plan is to be withheld, can you please forward a redacted copy of the paper to me (including which sections of the OIA the redacted parts are withheld under), plus a copy of the original plan. S9(2)(a) mentioned that the plan was being withheld under another OIA request?

Hope that makes sense - if not please do not hesitate to contact me to discuss.

The response is due to the MOI 23 July and the Mr Grainger by 30 July. Can you get back to me by 12 July?

Hi Andrew - the response to Mr Grainger needs to get to Legal, Comms and Stephen this week before going to the MOI on 23 July. The response is due to the requestor on 30 July.

I propose that the:

MOU is withheld in its entirety under the following sections of the OIA - 6(a) (security and defence of NZ); 9(2)(g)(i) (free and frank expressions of opinion given MOU is in draft form);

Detention manual is withheld in its entirety under sections 6(a) (security and defence of NZ); 6(c) (maintenance of the law); 9(2)(g)(i) (free and frank expressions of opinion given manual is in draft form)

I am confirming with Compliance that their plan is to be withheld in its entirety under the following sections - 6(a), 6(b) and 9(2)(b)(ii) (these are the sections that have been used to withhold their plan in another OIA request).

Grateful for your view on the above. Can you get back to me tomorrow morning?

Thanks

Hi 89(2)(a)

89(2)(a) and I have had a closer look, and I think we'd be happy erring on the side of caution with this release. We certainly have not discussed any release issues with MOH.

So please do as you suggest below - withhold the whole Appendix 5 under 6(a) and 9(2)(f)(iv) - except for section 4, which is anyway in the public domain (URL for the MOH website is provided in section 4).

Thanks very much for the hard yards you have put in on this request, and for paying such attention to detail on the IRID component, too.

Hi all - I've had an opportunity to read Appendix five (attached) ↓ I wondered if IRID had considered withholding parts of the Appendix? For example

- (withhold under 6(a) - security and defence; 9(2)(f)(iv) - confidentiality of advice???)
 Perhaps the only section that should be released is number 4?

In addition the Appendix refers to MOH planning, can you let me know if there has been any discussion with MOH about potentially releasing the information?

Thanks

Hi Bernard - can you clarify that the section of the OIA proposed to withhold Appendix 6 would be 9(2)(a) - protect the privacy of natural persons.

The other sections being proposed to withhold the rest of the plan are 6(a) - security and defence of NZ, 6(b) - entrusting of info, and 9(2)(b)(ii) - prejudice commercial position.

None of the above fits Appendix 5 - unless IRID can come up with a section of the OIA to propose this being withheld, I am not sure it will get through Legal.

Thanks

Hi S9(2)(a)

Appendix 6 should not be released under any circumstances (contains personal information - names and contact numbers of government workers, INZ, Police, Customs, etc) We can't release the details of these people without their permission.

Appendix 5, Health and Safety plan. Not so sure that we can withhold this, but it would be my preference not to release this.

Same reasons for not releasing as for the rest of the plan.

- In relation to the OIA you are dealing with, can you forward to Bernard (copying in me) a copy of the Compliance Plan outlining the sections which it is proposed to withhold sections and the sections that are out of scope of the that OIA? The Grainger OIA I am dealing with asks for a copy of the plan and I do not think we will be able to use "out of scope" as a reason for not releasing those "out of scope" parts of the plan. As such I have asked IRID to review those sections to see if they should be withheld or released for the Grainger OIA.

Thanks again to you all for your assistance with this.

Hi again

Policy have informed me that it is proposed to withhold the Compliance plan in its entirety under sections 6(a), 6(b), and 9(2)(b)(ii). They also noted that for the OIA they are responding to some parts of the Compliance plan were out of scope. They are still waiting for this to signed out by the MOI and by MBIE.

The OIA I am dealing with asks for a copy of the plan (see attached) - can you let me know if there are other sections of the OIA that the compliance plan should be withheld under given I do not think "out of scope" is an option for not releasing those parts for this OIA.

same attachment from Doc 1.

Do not hesitate to call me if this does not make sense.

Can you get back to me tomorrow on this???

Thanks

Hi [redacted] -

Policy is in the process of responding to wider requests for info where this doc is in scope. Their response is currently being reviewed by legal - [redacted] is expecting a response by today.

I've had a look at their briefing, and their approach to this is doc is as follows:

Mass Arrival of Potentially Illegal Migrants: Compliance Operation Branch Response Plan (including appendices) Report 06/12 Withhold under sections 6(a), 6(c), 9(2)(j) and 18(d). Some information is out of scope of the request.

To be consistent, we advise to withhold in full under sections 6(a), 6(c), 9(2)(j) and 18(d).

I have attached a zip of the files for you. Just note, the main plan is labelled Nov 11, but the cover page is dated April 12. Policy appear to have recorded it as 6/12 in their briefing in error.

Let me or [redacted] know if we can help further here.

Grateful if you can let me know if the Compliance Branch Response Plan will be withheld in its entirety, and if so under which sections of the OIA it is to be withheld under. If parts of the plan is to be withheld, can you please forward a redacted copy of the paper to me (including which sections of the OIA the redacted parts are withheld under), plus a copy of the original plan. ([redacted] mentioned that the plan was being withheld under another OIA request?)

Hope that makes sense - if not please do not hesitate to contact me to discuss.

The response is due to the MOI 23 July and the Mr Grainger by 30 July. Can you get back to me by 12 July?

Many thanks

Subject: Official Information Act request - Refugee Detention Information

Dear Department of Labour,

On the 12th of April I requested from you under the Official Information Act various information related to plans to deal with "boat people." On the 29th of June I received a response (visible at http://fyi.org.nz/request/plans_for_boat_people) that gave the names of various documents containing plans for dealing with mass arrivals by sea. I now have a follow up Official Information Act request.

First: I want to thank you for dealing my with my request, I underestimated how many documents would be caught by my request, and I want to thank you in working to attempt to answer my request. Looking at how many documents were captured, I would hate to think how much background information would exist.

Second: the purpose of this follow up request is to request some documents which the titles were given of in my original request. I wish to request:

- a) the Refugee Quota Branch, detention manual (document no. 10 in the response to me)
- b) the draft MOU between DoL and various agencies to support open immigration detention in the event of a mass arrival (no 11)
- c) the report entitled "Mass Arrival of Illegal Immigrants: Compliance Operations Branch Response Plan" (no 3)

Feel free to contact me if you wish me to clarify my request.

Yours faithfully,

Joshua Grainger

Hi
Attached are the QAed documents. Changes have been tracked. I have changed the withholding references in the briefing and the letter to those set out in the manual "Policy for handling Official Information Requests" Legal seems to like them.

I would suggest using your "Proposed sections to withhold—as an appendix and refer to it in the briefing. But use the wording for each section as changed in the briefing/letter. That should enable you to send the clean withheld document with the briefing and letter. Hold onto the marked copies for the Ombudsmen's complaint.

Contact me if you have any queries or want clarification.

Are you also able to provide advice on the documents that are going to be withheld in their entirety? In the brief it is noted that marked copies and the original unmarked copies are enclosed. Given the documents are going to be withheld totally - do I need to send both marked and unmarked copies of those documents? Or can I just attach a note to the documents outlining which sections of the act relate to which documents - see attached.

Hi! S 9 (2) (a)

Happy to agree with your approach although you will recall that the MoU with Corrections is still a bit of draft (all of part 2) and I am not sure if the content of part 1 would meet the threshold of withholding given it is really just what we do on day to day basis anyway.

Hi all

MBIE (INZ) has received the attached follow-up OIA request from Joshua Grainger requesting three documents including the DoL MOU with agencies to support open immigration detention from a list of documents that he obtained in an earlier OIA request (see attached).

We will seek to withhold the entire MOU (attached) under sections 6(a) (security and defence of NZ) and 9(2)(g)(i) (free and frank expressions of opinion given MOU is in draft form) of the OIA.

Grateful if you can let me know if you agree (or not) with this approach.

Many thanks

Hi *S9(2)(a)*

Thanks for letting us know about the OIA. We fully support the MOU being withheld at this stage given that we are still in discussions with the Chief District Court Judge regarding what has been 'pencilled' in as number three in the appendix with us.

out of scope

Cheers
