Dear Mr Pritchard

I refer to your request dated 20 March 2016, pursuant to the Official Information Act 1982, seeking information regarding the access granted to Wilson Parking NZ Limited to the Motor Vehicle Register, including:

- How many times in 2014 and 2015 did Wilson Parking access the Motor Vehicle Register?
- How does the Ministry of Transport audit compliance with the requirements of Notice 2011-go6779 in the New Zealand Gazette?
- Request for a copy of the annual report for 2014 and 2015 that Wilson Parking is required to provide to the Ministry in section (j) of the Notice
- As per condition (h) of the Notice, the definition of “reasonable time”
- As per condition (e) of the Notice, the definition of “appropriate intervals”.

This letter is to notify you that the Ministry is transferring your request as the information you have requested is not held by the Ministry of Transport, but is believed to be held by the NZ Transport Agency. Accordingly, your request is being transferred to the NZ Transport Agency pursuant to section 14 of the Official Information Act.

Additionally, the Ministry of Transport does not audit compliance with the requirements of the Notice as this responsibility has been formally delegated to the NZ Transport Agency under section 241 of the Land Transport Act.

Further correspondence on this request will therefore come to you from the NZ Transport Agency. Note that the time limit for responding will be 20 working days from when the NZ Transport Agency receives this transfer from us.

Yours sincerely
