Dear Fraser

RE: LOCAL GOVERNMENT OFFICIAL INFORMATION REQUEST

Further to my letter of 5 May 2016 regarding earthquake prone building information held by Upper Hutt City Council.

Question 2: Please see the attached report regarding the Designated Emergency Operations Centre located at 836 Fergusson Drive.

I believe that this satisfies your request for information as contained in your email received on Thursday 7 April 2016. However if you have any further queries please contact me.

If you are dissatisfied with my response, you are entitled to request that the Ombudsmen review it under section 27 of the Local Government Official Information and Meetings Act 1987.

Yours faithfully
