Dear S Curtis

Thank you for your email of 2 May 2016 requesting the following information under the Official Information Act 1982:

- "I was reading the Ministers announcement the other day for this important link <http://scanmail.trustwave.com/?c=2838&d=nfKm16q2vOPyplKxO2X--GTiAbQelwcf5GMcyfUMsQ&u=http%3a%2f%2fwww%2estuff%2eco%2enz%2fnational%2f79349250%2faucklandcoromandel-route-set-to-get-a-278-million-upgrade> Could please help me to identify these future projects that would be covered by this."

The following information and website reference fall within the scope of your request:

There are five projects that make up this proposed \$278M corridor upgrade. Please refer to the project update for April 2016 on the website www.nzta.govt.nz/projects/pokeno-to-mangatarata. This update identifies how the corridor is divided up into five sections.

- Section A: SH1/SH2 Pokeno to Mangatawhiri
- Section B: Mangatawhiri
- Section C: Kopuku
- Section D: Maramarua
- Section E: Eastern Section

Each of these sections is a separate project and detailed design work will begin shortly. The sections are also shown on the location map in the link in your email.

If you would like to discuss this reply with the NZ Transport Agency, please contact Alison Keehan, Senior Project Manager – Complex, by email to info@nzta.co.nz or by phone on (07) 958 7220.

Yours sincerely
