Dear [REDACTED]

In early April you provided the Commission with links to Spark's standard form consumer contracts. We have now reviewed those contracts to assess their compliance with the new unfair contract term provisions of the Fair Trading Act.

Attached is a request for information about potential unfair contract terms we have identified. The purpose of our letter is to seek information from Spark to assist in our assessment of whether these terms comply with the unfair contract terms provisions.

Please feel free to contact me if you have any questions.

Kind regards
