Dear Mr Lane

**Local Government Official Information and Meetings Act 1987**

**CAS-308956-K5Z2Y3**

Thank you for contacting Auckland Transport on 30 May 2016 requesting information relating to the Mt Eden Road bus lanes.

We wish to advise that the information on our website relating to the proposed upgrade to the Mt Eden Road bus lanes is incorrect and we are working to remove it urgently. We apologise for the unintended miscommunication. The project is actually planned for **2016-17**.

In view of the above, if you wish to proceed with the LGOIMA request for all interactions with consultants and within Auckland Transport relating to the proposal, we further advise that the information you are seeking is overly broad. Under Section 10(2) of the LGOIMA a request for information must be specified with due particularity. Therefore, would you please refine the scope of this request by identifying specific areas that you are interested in; e.g. what advice are you looking for specifically in relation to what part of the project? Is it just the recommended proposals or all correspondence relating to it?

Your request will remain on hold and if the information is not provided within 20 working days your request will be closed.

If you have any further queries, please contact me on (09) 355 3553 during business hours, quoting Local Government Official Information request number CAS-308956-K5Z2Y3.

Yours sincerely
