Dear Mr Lindsey

I refer to your email of 25 July 2016 requesting *any and all records concerning the United Nations Special Commission (UNSCOM), the UN weapons inspection agency in Iraq from 1991 to 1999.*

I understand that you are not a New Zealand citizen, and therefore have no standing under the Official Information Act 1982.

Even so, to the best of my knowledge, the sixteen files relating directly to the UNSCOM mission are all publicly available at Archives New Zealand.

I trust that this will assist you in finding the information you are seeking.

Yours sincerely

C. J. A. HOEY
