Dear Mr James

Official Information Act Request

I refer to your request for information of 6 September 2016 where you requested:

I am writing to inquire how many people, as of the 6/09/2016, are employed by Victoria University of Wellington on, or below, the hourly wage (before tax) of \$15.30.

Can I please have these both in real numbers of staff, and EFTs.

In response to your question I can confirm that Victoria University of Wellington currently employs a total of nine permanent staff on minimum wage. This is comprised of four full-time and five part-time staff (all based in the library).

This information is based on a “snapshot” of the data collated as at the timeframe of your request.

Yours sincerely

A handwritten signature in blue ink that reads "Ade Castro".
