RE: OFFICIAL INFORMATION ACT REQUEST

I am writing in response to your Official Information Act request dated 30 September 2016.

We would first of all like to apologise for the delay in responding. We have performed an internal investigation as to how this arose and understand that the generic email address which you wrote to was not regularly monitored for a period of time between September and October 2016. The monitoring function has since been transferred to a different part of the organisation.

You requested the following information:

1. Salary range for the AgResearch leadership & portfolio management team.
2. Financials about the income the portfolio leaders are generating through their teams.

In respect of all of your above requests, our response is as follows:

1. The salary range for the AgResearch leadership & portfolio management team (as identified on the AgResearch website) as at the 30 June 2016 is \$133,032 - \$274,831.
2. The financial information on the income the portfolio leaders generate is included in AgResearch's 2015/2016 Annual Report on page 26 and AgResearch's Statement of Corporate Intent 2016 – 2021 on pages 5 – 10.

Please note the 2015/2016 AgResearch Annual Report and AgResearch's Statement of Corporate Intent 2016 – 2021 is available on our website www.agresearch.co.nz

Please be advised that you have the right to complain to the Office of the Ombudsman if you are dissatisfied with this response.
