Dear Pariket

In response to the OIA request transferred from the Ministry of Health to the District Health Boards on 1 November 2016 detailed below is the information for Waitemata DHB.

In 2011 and 2012 NZREX could apply and be matched through the ACE process.

All positions offered through ACE to designated PGY1 House Officers were matched to the DHB as per the ACE process including a number of second offers to account for declines. In 2012, 2013 and 2016 subsequent withdrawals by candidates has resulted in a lower number of PGY1s starting to the number originally matched. Further offers were not made to fill these positions by a PGY1 House Officer, this is due to a high number of existing employees at PGY2 House Officer who had on-going employment and required an allocation for a further PGY1 run to meet MCNZ general registration requirements.

- 1. For the last five years, the total number of PGY house officer positions filled in across all DHB in New Zealand outside of ACE matching systems by UK/Canada/Ireland graduates**

Nil.

- 2. For the last five years, the total number of PGY house officer positions filled in across all DHB in New Zealand outside of ACE matching systems by NZREX graduates**

Nil.

I trust this information will satisfy your request.

Yours sincerely

Fiona McCarthy
