S.Jarvis  
Fyi-request-4845

Dear Mr.Jarvis

### REQUEST FOR INFORMATION

I refer to your letter dated 27 October 2016 in which you requested:

*information regarding the reasons and motivations for setup and location of all mobile drug and alcohol checkpoints between 1st September 2016, and 26th October 2016 in the Wellington region. Can you please supply me with the following:*

- 1. A total number of police checkpoints in the Wellington Region over the above period*
- 2. Date, time, and duration each checkpoint was active*
- 3. The reason and motivation each checkpoint was deployed*

I have considered your request in accordance with the Official Information Act 1982 and my response is set out below.

#### *Question 1*

Police do not hold an accurate record of the total number of police checkpoints in the Wellington Region between 1 September 2016 and 26 October 2016. Accordingly, this request is refused on the basis that the information is not held by Police and there are no grounds for believing it is held by another agency (s18(g), Official Information Act 1982).

However, please find attached a spreadsheet outlining 1246 check-points conducted in the Wellington District over the period you have requested. Please note that the figure of 1246 reflects the number of recorded check-points in this spreadsheet but it is not an accurate figure of the total number of police check-points because some of the entries in this spreadsheet are duplicates (ie. the same checkpoint has been recorded by more than one officer).

#### *Question 2*

The attached spreadsheet also shows the date, location, and time of the check-points within the period you have requested. Police does not hold a record of the duration of those check-points so that part of your request is refused under s18(g) of the Official Information Act 1982 as the information is not held by Police and there are no grounds for believing it is held by another agency.

#### *Question 3*

In relation to the check-points carried out by the Traffic Alcohol Group, please find attached a document showing the reason(s) for each check-point. For the remainder of the check-points, Police do not hold an easily accessible record of the reason for each check-point so that part of your request is refused on the basis that the information cannot be made available without substantial collation or research (s18(f), Official Information Act 1982).

If you are not satisfied with my response to your request you have the right to complain to the Office of the Ombudsman and seek an investigation and review of my decision.

Yours sincerely
