Dear David

Official Information Act # 16.078 Telcos Merger

You have asked to see what has been conveyed to the Commission from any and all entities in regards to the merger between Sky TV and Vodafone.

There is a lot of material publicly available on the Commission's website in respect of our consideration of the proposed merger – see our website at <http://www.comcom.govt.nz/business-competition/mergers-and-acquisitions/clearances/clearances-register/vodafone-europe-b.v.-and-sky-network-television-limited/>. This includes copies of the applications received from Vodafone and Sky, issues statements published by the Commission and submissions received (from the merging parties and third parties). It also contains cross-submissions, where third parties have responded to submissions made by Vodafone and Sky, and vice versa. The submissions from third parties include submissions from competing telecommunications companies such as Spark and 2degrees.

Please take a look at the website and let us know if it has the information you are after. If it does not, then we would like to set up a call with you to discuss your request. This is because your request is quite broad and we would find it helpful to speak with you to understand a bit better what you are requesting.

I look forward to hearing from you.

Yours sincerely

Lynette Davidson-Adams
