I have checked this out and the end date for subsidy for S 9(2)(a) was S 9(2)(a) /04/2016 and I have checked and total payment of \$3000.00 has been paid to you.

S 9(2)(a) end date is S 9(2)(a) /05/2016 and there looks like a final payment of \$600.00 is due to you still.

S 9(2)(a) end date is S 9(2)(a) /06/2016 and there is still \$1500.00 left to be paid for her still to you.

Hope this helps.

Hi S 9(2)(a)  
Is there more than one person you know of, just trying to see if it's a common trend

S 9(2)(a) left on the S 9(2)(a)/06/2016  
It seemed a quick decision and she didn't complete her last lot of shifts  
Heard she moved Whangarei  
Thx

Can you please follow up with the employer and ensure the underpayment is paid to the employee. Please then advise us that the underpayment has been rectified so we can process the claim.

Hi S 9(2)(a)

I received the 2 above email and tried calling the employer about them but have had no reply. Could you try calling her. Sounds like one of the forms has been filled out incorrectly and the other we have the wrong end date on the subsidy. Let me know if this would be possible.

Best Regards,

Hi S 9(2)(a)

The claim that this employer has submitted for S 9(2)(a) is showing an underpayment on the legal minimum adult wage of \$14.25 per hour for weeks 4.

Can you please follow up with the employer and ensure the underpayment is paid to the employee. Please then advise us that the underpayment has been rectified so we can process the claim.

If the gross wage details are incorrect please have the employer amend these to the correct figures and have them resend this claim to us.

Please attach your reply to this claim as the original has been deleted.

With S 9(2)(a) finishing this week, S 9(2)(a) leaving in a couple of weeks and S 9(2)(a) looking at moving to Whangarei in the near future I am looking to replace them. We had a very successful meeting with some employers and our cadets. There was an article showing the new ones coming through last Thursday in the Northland Age. At this stage they have started their training last Tuesday and will take a couple of weeks to settle in. I will keep you up to date to when they will want our employers to come in to present to them.

This is also what we could organise if you are interested with the other cadets who said they were interested in working for McDonalds-

Hi S 9(2)(a)

The last round of cadets were paid \$250.00 per week over 26 weeks total \$6500.00 so this would be the same however it is open to negotiation how you would like your payments spread.

Hi S 9(2)(a)

CV for S 9(2)(a) I have checked and we can transfer the balance of her subsidy as she was a cadet. Her start date for previous position was 13/10/2014 so should have \$5000.00 to \$5500.00 left of subsidy however this could change if she comes back onto benefit so I am hoping that she can have a start date as soon as possible if she is successful.

Hi S 9(2)(a)  
S 9(2)(a) start date in our computer is S 9(2)(a) /10/14  
Her first shift was on the S 9(2)(a) /11/14 as you can see her first week of shift attached. So work and income relevance is week beginning S 9(2)(a) November S 9(2)(a)

Does that clear any confusion?

Thanks
