Apologies:

Item	Topic	Update / Actions	Responsible
1	Progress		
1.1	Ina has received the tool from MCGney – we can use it although it is still work in progress		
2.2	Agreed using the road widths from GIS is appropriate at this stage of the design process		
2.3	IS & MC had a site visit – discounted route at northern end eastern side (Hauraki/Ewen/Cliffon) as an alternative to Lake, not possible due to topography.		
2.4	Options around Old lake Rd/Park discussed – check if park is AC or private. A connection could also be provided to the café/beach		
2.5	Investigate Buchanan/Rattray for option for route to avoid Devonport town centre		
2.6	Stanley Ferry link – future project, outside of our scope		
2.7	Look at changing priority of Victoria/Abbotsford to allow cycle priority up the hill.		
2.8	Consider safety in parks/lighting when using as alternatives- note about Ngataranga Park		
2.9	Seabreeze – future link to consider		
2.10	Change to Regent from Wesley (avoid walkway)		
2.11	Liam Winter – Panuku contact re. Takapuna		
Next Meeting – 6 September 2016 - 10am - Henderson
