Hi Terisa,

Thank you for this advice. Hopefully you received a good news email today.

We need to sort out the best people to be signatories to this grant. We have a couple of people already connected to the organisation – S9(2)(a) – however I see none of these are Trustees. Ideally we will have the main manager and a trustee as signatories to a grant – who would be the best people to do this? If you email me their contact details I'll email them instructions on how to register with our system and we'll connect them. They do need to be computer literate to work on our system and get themselves through RealMe.

Regards,

Talofa lava S9(2)(a)

I was speaking to your colleague in Palmerston North Office who gave me your contact.

Just in regards to the contact person for Life to the Max once a decision has been made either way regarding their request. Linda Allen is currently the contact person for the request.

Linda S9 ( 2 ) ( a ) and has had to leave Life to the Max as of Friday the 26th Aug - however before she left herself and the Chair (the Mayor of Levin) of the Life to the Max Trust Board developed a MoU supporting Pasifika for Tomorrow and the request to DIA's Community Development Scheme.

Could we please change the contact person for this request to myself:

Terisa Ngobi

S9 ( 2 ) ( a )

Further, if there is any additional information/documentation etc that you need in support of this request please do let me know we will endeavour to provide you with whatever you need to support this request and Pasifika work in the Horowhenua community.

Ia manuia
