Dear David

Thank you for your email of 28 June 2017 to the Ministry of Business, Innovation and Employment requesting the following information under the Official Information Act 1982 (the Act).

I would like the information on the Total number of contributions made from the Financial Assistance Package separately by type of dwelling ie houses and apartments, and the total cost for each type of dwelling.

Please also advise if the information is available by territorial authority (T/A). If it is please advise by T/A.

The table below sets out the number of claims to receive contributions under the Financial Assistance Package (FAP), and the total amount of these contributions, as at 26 July 2017.

	Number of claims to receive contributions under the FAP		Total contributions to date under the FAP	
	Crown	Territorial Authorities	Crown	Territorial Authorities
Stand-alone claims	459	283	\$27.8 million	\$16.9 million
Multi-unit claims	59	21	\$43.8 million	\$7.1 million

The number of claims to receive contributions under the FAP from the Crown includes those which have also received contributions from Territorial Authorities.

Stand-alone claims each represent a single dwellinghouse (as defined by section 8 of the Weathertight Homes Resolution Services Act 2006). However, multi-unit claims cover more than one dwellinghouse. Not all units in a multi-unit complex are necessarily part of a multi-unit claim. In addition, common property in a multi-unit complex is counted as a unit for the purposes of calculating total number of units. The 59 multi-unit claims which have received contributions under the FAP account for approximately 1,500 units.

The data in the table above includes claims that have completed repairs through the FAP, as well as those which are currently undergoing repairs, and which may therefore receive further contributions as their repairs progress and are completed.

You have the right to seek an investigation and review by the Ombudsman of our response. Information about how to make a complaint is available at: www.ombudsman.parliament.nz or freephone: 0800 802 602.

Yours sincerely
