Dear J Thurston

Request for information OIA2017-095

I refer to your request for information dated 27 July 2017, which was received by Greater Wellington Regional Council on 27 July 2017. You have requested the following information:

“any information, plans, proposals, business cases, diagrams, and funding requests, as well as a general update on the current state of the 'Cross Valley Link', a project which has been mooted to improve access from State Highway 2 at Petone to Seaview and related suburbs. This may not be the formal name of the project, so please consider any work that has the same or a related purpose. Please also include any estimates on traffic volumes, and any information about impacts on access to the beachfront along The Esplanade in Petone.”

Greater Wellington Regional Council was going to transfer your request to Hutt City Council pursuant to section 12 of the Local Government Official Information and Meetings Act 1987 on the basis that this information is believed by Greater Wellington Regional Council to be more closely connected with the functions of Hutt City Council. However, we note that you have already made this request to Hutt City Council.

Further correspondence will therefore come to you directly from Hutt City Council.

Yours sincerely

Luke Troy
General Manager
Strategy

LETTER OF RESPONSE TO J THURSTON 2017-095
