Dear Will

Official Information Request: Ref 2017.3820

I refer to your email, dated 20 August 2017.

Attached is a list of the ten busiest volunteer stations and the ten busiest career stations, for the 2016 calendar year, based on the total number of incidents attended, including the details of the number of incidents attended by appliance.

These lists exclude the Auckland Operational Support Unit.

I trust this response fulfils your request – please contact us if you require anything further.

Yours sincerely

Leigh Deuchars
Director, Office of the Chief Executive
