Dear Ms Crawford

Re: Official Information Act request – Gardasil vaccination at Kingsway School

Thank you for your Official Information Act request received 28 August 2017 seeking from Waitemata District Health Board (DHB) the percentage of girls and boys who received the Gardasil vaccination in 2017 at Kingsway School, Silverdale.

Please note the 2017 programme is still in progress, so the information provided represents dose one of the two dose programme.

There are 39 students from Kingsway School who have consented to participate in the 2017 programme. 38 students have received dose one of the vaccine. One student was absent on the day of the programme.

The table below shows the breakdown of boys and girls who were vaccinated.

	Eligible Students	Vaccinated	
		(n)	%
Boys	61	21	34%
Girls	54	17	31%
<i>TOTAL</i>	<i>115</i>	<i>38</i>	<i>33%</i>

I trust this information will satisfy your request.

Yours sincerely

Cath Cronin
Director Hospital Services
Waitemata District Health Board
