Dear Mr Jull,

Re: Official Information Act Request

I refer to your Official Information Act request dated Friday 1 September 2017 which was forwarded to the Ministry of Education.

As the Ministry of Education does not hold the information you requested, your email and request was forwarded to Avondale College pursuant to the Official Information Act.

You have requested that Avondale College provide you with the number of staff that have been constructively dismissed from the school since 2010.

We have carefully reviewed all of our records. No employee has been constructively dismissed from Avondale College since 2010. Further no staff member (teaching or non-teaching), has told the school or the Board they believed they were being constructively dismissed.

Yours Sincerely

Dave Erson
Chairperson
