Hi Shane,

I will likely bring one of our legal advisors who will be helping out on the project. Any time Thursday is fine for me, what is your schedule looking like?

I have asked WW for the requested location plans. Will provide once I have these in hand.

Regards

Subject: South Karaori Bridges Project

Hi Shane,

The Property Group have been instructed by Wellington Water to formalise private ownership of a number of bridges built by WCC in the 1990's when a stream widening project was undertaken.

If possible I would like to meet next week to discuss the project and our suggested way forward which will likely include encroachment licenses. How is your schedule looking next week?

Please let me know what other information may be useful before we meet. I am expecting to have some plans in hand early next from WW which will show the bridges in question.

Regards
